

## Seasons of Love

Five hundred twenty five thousand six hundred minutes

Five hundred twenty five thousand moments so dear

Five hundred twenty five thousand six hundred minutes

How do you measure , measure a year?

In daylights, in Sunsets

In midnights, in cups of coffee

In inches, in miles

In laughter, in Strife

In five hundred twenty five thousand six hundred minutes

How do you measure

A year in the life?

How about love? (3x)

Measure in love

Seasons of love, seasons of love.

Five hundred twenty five thousand six hundred minutes

Five hundred twenty five thousand journeys to plan

Five hundred twenty five thousand six hundred minutes

How do you measure the life

Of a woman or a man

In truth that she learned

Or in times that he cried

In bridges he burned

Or the way that she died

It's time now - to sing out

Though the story never ends

Let's celebrate, remember

A year in the life of friends

Remember the love, remember the love,

remember the love

Measure in love

Oh you got to you got to remember the love

You know that love is a gift from up above

Share love, give love, spread love

Measure, measure your life in love

Seasons of love

Measure your life, measure your life in love
